success story!

Are you required to register for work in order to receive SNAP benefits? Would you like to receive training that may improve your employment skills and help you find a job? Smyth County Social Services may be able to help you reach your employment goals.

Transforming lives

Our approach to employment and training could help you receive the right training for the right job.

Attend one of our information sessions to learn more about the program.

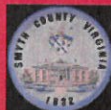

The eLeVate SNAP E&T program could help you:

- 1) receive industry-specific job skills
- 2) earn industry certifications, and/or
- 3) work toward your GED or High School Equivalency credentials

This training and employment program is a research study. You may volunteer to be in the study. You cannot lose your SNAP benefits based on what you decide about the study. There are no penalties if you choose not to participate.
